TERMS AND CONDITIONS

This is a mail bid auction conducted by **Classical Numismatic Auctions, Ltd.** and the following terms and conditions should be read by all interested parties before bidding in this sale.

1. The property listed in this catalog is offered for sale by **CNA, Ltd.** as agents for various owners and other consignors. We reserve the right to withdraw any lot before the close of the sale.
2. There is a **10%** buyer's fee that will be added to all invoices at the close of the sale.
3. All lots are fully described. Grading is a subjective art. Every effort has been made to be conservative in our grading. Please note that an auction sale is not an approval sale. Lots examined prior to the sale may not be returned for any reason except authenticity.
4. Terms are for cash, with invoices being due and payable immediately upon receipt. Payment by check must be made in US funds and drawn on a United States bank. Visa and Mastercard may be used to pay your bill. However, a 3.5% surcharge is made for the use of your credit card. (Our cost from the bank.).
5. Bidders not known to us must provide us with satisfactory credit references. Minors are forbidden from bidding without a parent's signature on the bid sheet.
6. Bid in even dollar amounts. **Mail Bidder Protection.** You may submit bids with confidence. Where competition permits, your bids will be executed at 10% over the next highest bid. Please note, that most bids below estimate are rarely reduced, due to heavy competition. In the case where we have multiple copies of a lot, bids will be reduced to the next highest bid. (For example, if you bid \$75.00 on a lot and another person bids \$65.00 on that lot, and we have multiple copies of that lot, it will be awarded to both bidders at \$65.00). If you bid over estimate, chances are that your bids will be reduced. In the case of tie bids - the bid received earliest wins. Bid by lot number. No lots will be broken.
7. A word on **Reserves.** If a book is reserved, it will not be in excess of the estimate. However, please note that bids that are below 60% of the estimate have little or no chance of winning, or being executed. Check your bid sheets carefully. The seller cannot assume responsibility for errors made by bidders.
8. Sales tax and postage are added to all invoices where appropriate.
9. Prices Realized are published shortly after the sale and mailed to all bidders who have participated in the sale.
10. If you bid in this sale, you accept the terms as outlined above. Any legal disputes that might arise will be handled in the courts of Lancaster County, Pennsylvania.

GOOD LUCK and remember to mail your bid sheets early. Closing date for this sale is Tuesday - July 25, 1989 at 5 pm local time.

This collection is second probably only to the British Museum and the main value of these references is in the complete indices, detailed descriptions, and the outstanding collotype plates. Each volume contains a survey of the coinage of that period with sections on the mints, officinae, metrology, denominations, and detailed discussions of the coinages of individual emperors. All volumes are out of print and scarce.
